

## Water Europe Academic Internship programme

Water Europe is regularly welcoming academic interns in the fields of communication, advocacy, science and technology. The objective of the internship is to give you a first-hand experience of the day-to-day working environment in a Brussels-based European multi-stakeholder association like Water Europe.

You will have the opportunity to work with our people. As part of our team, working directly with outstanding and inspiring career professionals and senior management, you will be exposed to the EU institutions, participate in meetings, and contribute to analytical work. Initially, you will take on the amount of responsibility you can shoulder; the potential for growth, however, is yours to develop.

### Can you be a Water Europe intern?

- Are you enrolled in a master's or in a Ph.D. programme, or in the final year of a bachelor's programme?
- Do you have an excellent command of English?

### Keep in mind:

- **Duration:** The internship programme lasts for at least 4 months and can be as long as six months.
- **Cost:** All costs related to travel, insurance, accommodation, and living expenses must be borne by either the interns or their sponsoring institutions.
- **Visa and travel:** You will be responsible for arranging and financing the necessary visas and your travel to Brussels.
- **Medical insurance:** You will be responsible for costs arising from accidents and/or illness incurred during the internship and must show proof of valid medical insurance coverage (usually taken care of by your institution of higher education).
- **Priority:** Internship candidates from universities that are a member of Water Europe will be given priority.
- **Academic Credit:** You may get academic credit from your institution of higher education for the internship. Check with your university to confirm their academic credit policy for internships.

### What we offer:

- **Compensation:** Water Europe will support its interns with a monthly internship compensation.
- **Certificate:** At the end of the internship, you will receive a Water Europe Academic internship certificate.

### What you need to do:

- To be considered for a Water Europe academic internship, please send a one-page CV and cover letter to the email address: [aip@watereurope.eu](mailto:aip@watereurope.eu).
